Song Contest  
Slated Today**

Marymount Palos Verdes sixth annual Song Contest is scheduled to be staged today at Lourdes Hall on campus.

To accommodate overflow crowds of parents and friends, the school will stage two performances, the first at 2 p.m. and again at 4 p.m. Marymount officials describe the purpose of the annual song contest is to develop student leadership and interest in original projects. program will come about from the following factors:

1. Need for 15 fewer judges over the next 10 years.
2. At least 50 fewer clerks and court attaches will be needed.
3. At least 15 fewer court-rooms and buildings will be required.

"The plan calls for maximum use of existing judicial manpower and facilities for the benefit of all of the people," Supervisor Hahn stated.

He complimented Judge Rosenthal for his forthright leadership in accomplishing the plan within one year of his appointment to the bench by Governor Brown. Supervisor Hahn pointed out that the plan had been under discussion for many years.

**YMCA Sets  
Dad's Night**

The Torrance YMCA has extended an invitation to all fathers of the community to attend a helpful Dad's Night at the "Y" next Monday evening, Dec. 7, at 7:30 p.m.

Dr. Thomas Parker, prominent Southland clinical psychologist, will speak to the dads on ways to better understand their children. Dr. Parker brings extensive training and experience with youngsters to all fathers who wish to deal more effectively with their offspring.

Poser urged all dads to take advantage of this free evening of fellowship and education. The YMCA is located at 2080 Washington Ave. in Torrance.

**Pearl Harbor  
Anniversary  
To Be Noted**

Pearl Harbor Day next Monday will be commemorated in California by a dramatic demonstration to drive home the vital need for public knowledge of protection against radioactive fallout, Harold G. Robinson, Director of the California Disaster Office, announced yesterday.

Nationally, the 18th anniversary of Pearl Harbor will be observed as "Civil Defense Day."

In California, the theme is: Civil Defense Day is Survival Day, Robinson said.

"Present-day civil defense, as shaped by the nuclear age, is totally different from civil defense as we knew it during World War II. Civil defense no longer means going somewhere to help someone else. It means finding out what we can do to help ourselves and our families."

"Every Californian therefore must learn the preparations he can make now—prior to a war-caused disaster—in order to protect himself and his family if attack should come," he said.

The Fox Market executive said an expansion program was being planned and that more stores would be opened in the near future.

area with nearly 114 per cent of its goal, but returns from Central and South Torrance have been disappointing and bring the residential average for Torrance as a whole down to 84.36 per cent.

Latest Torrance percentages are:

C&I Firm	81.92
C&I Employee	76.75
Advance Gifts	92.20
Business	37.74
Total	84.36
TOTAL	80.32

TORRANCE Advance Gifts chairman Donald Hitchcock is making a notable bid to bring the Frode B. Kilstofte trophy to Torrance this year, and is pressing the Harbor Area leader, Dr. Zugsmith of San Pedro. Zugsmith, with 98.07 per cent of quota, has the inside track at the moment, but the race still has some way to go.

An all-out effort is now being made to bring in the \$5,588 which is all that separates Torrance from a 100 per cent collection record.

IN ASKING his volunteers to complete all their assignments and make all their call-backs in the next few days, Torrance city chairman Harold Frenz reminded them of the importance to Torrance of the 18 Community Chest agencies located in the Harbor Area, as well as other agencies like the Children's Hospital and Orthopaedic Hospital serving children throughout the Los Angeles area.

"Four out of every five dollars we raise in this campaign," says Frenz, "goes directly to children's agencies."
